

## What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

**Our Compact will Benefit everyone!**

### Jointly Developed

The parents, students, and teachers of Clearview Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

**Parents are welcome to contribute comments at any time!**

\*\*\*\*\*

**If you would like to volunteer, please contact our Family Liaison- Jairo Gay- by calling the school.**

## Activities to Build Partnerships

Anytime parents visit CVES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

## Communication and Student Learning

CVES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website
- Home visits
- Parent Conferences
- Board in the front of the school
- Remind messages
- Phone Calls, emails

REVISION DATE :

Tuesday, September 11, 2018

## School-Parent Compact For Achievement 2018-2019

### 1st Grade Focus for Student Success

**Clearview Elementary School**

# Our Goals for Student Achievement

## District Goals:

1. Ensure all students achieve at their highest level of academic performance.
2. Provide a safe, secure, and wholesome learning environment.
3. Engage all students, staff, families, businesses, and the community in the educational process.
4. Maximize efficiency and productivity in pursuit of the system's mission.

## CVES 1st Grade Goals:

1. Goal: 80% of 1st grade students will reach a minimum Guided Reading level of H by May 2019.
2. Goal: 80% of the 1st grade students will know addition math facts from 0 to 10 by May 2019.

## Teachers, Parents, Students– Working Together for Success

### In the 1st Grade Classroom

The 1st Grade teachers will work with students and their families to support student success in reading and math. Some of our key connections with families will be:

Teachers will send home library books/guided reading books and have students access Razkids at home to reinforce reading.

Send home weekly math homework pages in a daily homework folder. Math newsletters will also be sent home to help explain to parents how to help.

Provide parents with sight word lists or flash cards to keep at home.

### At Home

CVES parents joined staff to develop ideas about how families can support student success in Reading and Math

Read at home with students.

Help students with homework and let older siblings assist with homework.

Practice Math facts at home using flash cards and practice sight words at home.

### 1st Grade Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

Bring home library books/guided reading books and access Razkids at home to reinforce reading.

Ask my family for help with daily math homework sheets.

Practice sight words and math facts by reviewing my list or flash cards at

**Teachers, Parents, and Students believe these additional key points will create success for our 1st Graders this year:**

1. Be respectful. Listen to parents and teachers.
2. Be responsible. Bring homework to and from school.
3. Read daily and bring books back to school.
4. Get enough sleep at night.
5. Use portable word walls and listen to books.
6. Focus on a goal and set aside a certain number of nights to work on those goals.
