

Student Login for Canvas

<p>How does a student login on a TCSS Chromebook?</p>	<p>1- Login your Chromebook using your student email address and password. **Don't remember your login information? Let your teacher know.</p> <p>2- The Chrome Browser will open, the second tab has "Dashboard", this is your Canvas account. You will be able to see your courses, when school begins.</p>  A screenshot of a Chrome browser window showing two tabs. The first tab is titled "Home - Troup County School Sys" and is partially visible. The second tab is titled "Dashboard" and is highlighted in yellow. The Canvas logo is visible in the address bar area of the second tab. <p>Home - Troup County School Sys x Dashboard x</p>
<p>How does a student login on a different device?</p>	<p>1- Open the Chrome Browser 2- Go to https://troup.instructure.com 3. Log in using your student email address and password.</p> <ul style="list-style-type: none">● Username: Your school email<ul style="list-style-type: none">○ first name middle initial last name@students.troup.org<ul style="list-style-type: none">■ Ex. Student's name is John T Young the email is johntyong@students.troup.org● Password: Student id number <p>**Don't remember your login information? Let your teacher know.</p>
